April 2nd - Regular school day now

PAPER NEEDED

As you are well aware our economy has caused a problem in almost every aspect of our daily lives.

Our school system continues to suffer as well. Recently we have had to cut our paper use in order to offset the cuts our school has had over the last few months.

We are asking parents to bring in one ream of white paper IF POSSIBLE for your child's teacher.

However, we understand that many of you have been hit hard by the economy as well. If this is not a request that is possible for you at this time please do not feel obligated. We appreciate

8th grade registration

It's that time of year again... Our 8th graders will receive 9th grade registration material on March 1st. The 8th grade teachers will go over this material with your child to make sure he/she has a basic understanding before bringing the material home.

East Burke High School counselors will come to EBMS on March 8th to give a more in depth presentation about the courses offered and what your child should sign up for next year.

Please don't miss the registration meeting at East Burke High School on March 11th! It will begin at 6:00. If your child is identified in the AIG program there will be a meeting at 5:00 prior to the regular registration meeting.

Early Check-outs

Please make sure that you are not checking your child out continuously on our Raider Review days. We have these every Tuesday and Thursday. Thank you for your

After-school tutoring schedule

Due to funding, we have had to scale down our after-school tutoring. Please note the following changes to the schedule below.

6th grade – Our sixth graders sponsored a week long collection to help the victims in Haiti. They called their mission “Charity for Hope.” The sixth graders alone raised \$882.65! That is incredible!

7th and 8th grade – Our seventh and eighth graders participated in a penny war to collect money for the victims in Haiti as well. Their contributions went to “Charity Water” which provides clean drinking water to those in need. The seventh and eighth graders raised a combined total of \$1,955. Amazing!

Please remind your child to turn in lunch money. We are still having problems getting lunch money in on time. Thank you for your help!
